WHY JOIN SPORTS BOOSTERS?

Student athletics are an integral part of the school environment and are an important factor in distinguishing Saratoga High School as one of the best high schools in California. Diminished athletics reduces the school's standing.

“College admissions boards know the time and effort that go into being a sport participant. College admissions boards are aware of the level of commitment that is required for playing a varsity sport.”—Campus Explorer website

Sports Booster Membership pays for annual athlete concussion testing and projects that benefit multiple sports. Previous projects include sound system upgrades, pool lights, bleachers, weight room renovation, and equipment for multiple sports. In addition, Sports Boosters awards scholarships to deserving senior student athletes, recognizes seniors who have signed on at a collegiate level, and supports 8th grade sports night plus the staff vs student softball game.

We ask you to JOIN and designate a donation to a specific team and take advantage of employee matching programs.

Deduct your donation: Tax ID #94-2578997

As a Thank You, the Sports Boosters Membership packet includes a student athletic towel and SHS license plate frame while supplies last.

All student athlete families are asked to by SHS to donate separately when they register students for each specific SHS sport. That contribution is meant to cover that sport's necessary operational expenses. (Those not covered by the District)

We also remind you not to confuse your ASB contribution payment and your sports specific operational donation with becoming a member of Sports Boosters. Please Join us, by donating today!
