WHY JOIN SPORTS BOOSTERS?

Student athletics are an integral part of the Saratoga High School environment and are an important factor in distinguishing our school as one of the best high schools in California. Diminished athletics reduces our school's standing.

“College admissions boards know the time and effort that goes into being a sport participant. College admissions boards are aware of the level of commitment that is required for playing a varsity sport.”—Campus Explorer website

Sports Booster Membership pays for annual athlete concussion testing, athletic training, and enhancements that benefit multiple sports. Previous enhancements include video game streaming, wrestling spot light, improved pool lights, bleachers at multiple locations, weight room renovations, and safety equipment for multiple sports. In addition, Sports Boosters awards scholarships to deserving senior student athletes, recognizes seniors who have signed at a collegiate level, and supports the 8th grade sports night.

As a member, you can also designate a specific donation to a specific team and take advantage of employee corporate matching programs.

Deduct your donation: Tax ID #94-2578997

As a Thank You for joining SHS Sports Boosters Membership, a promotional giveaway will be given in accordance with your level of donation.

All student athlete families are asked by SHS to donate separately when they register students for each specific SHS sport. That registration amount is a contribution to play covering that sport's necessary operational expenses. (Those operational expenses that are not covered by the district.)

We also remind you not to confuse your ASB contribution payment and your contribution to play registration amount with becoming a member of SHS Sports Boosters. Please JOIN us, by donating today!
